Dear Mr. Director:

We acknowledge with appreciation your letter of September 5 suggesting a meeting with you and other representatives of academic institutions in this country. I would be delighted to participate in such an event.

Your reference to the month of October prompts me to point out that I will be in Washington on October 30 and 31. If those dates would per chance coincide with your objectives, we would be delighted to see you at that time.

In any event, we will look forward to hearing from your staff regarding this objective. Thank you again for your letter, and warmest regards.

Sincerely,

Ronald W. Roskens  
President
